Cosmic Alignment Guide: Navigating the Tug of War

DECEMBER 16 – 22 , 2024

This weeks Theme: The Cosmic Tug of War: Awakening Through Transformation

This week, we are stepping into a pivotal energetic period as forces of light and awakening clash with the lingering energies of fear and control. The Sirian Council of Light reveals that this "tug of war" is unfolding not just in the external world but within our own consciousness.

While old patterns may surface, this is a powerful opportunity to anchor yourself in clarity, purpose, and higher alignment. Surprises and unseen forces may come into play, presenting you with both challenges and hidden blessings. Be mindful of what resonates with your truth and release what no longer serves you.

This week calls for vigilance, grounding, and awakening to your unique role in the collective transformation. Trust that everything happening now is part of a much larger cosmic design, paving the way for a new reality built on love and light.
