New Moon Ritual: Embracing the Flow of Divine Rebirth

This New Moon Sacred Ritual

This is not an ordinary moon... it is a **convergence point** where ancient memory, divine feminine wisdom, and cosmic light return to the Earth through us.

This ritual is designed to anchor those frequencies into your body, your timeline, and your soul's temple.

You may do this ritual anytime between **October 18th and 23rd**, but if possible, begin at twilight, just after sunset, under the darkening sky.

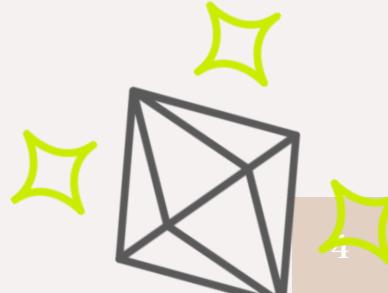

What you'll need:

- A quiet space where you won't be disturbed
- A small bowl of **spring water**
- A **white candle** (or gold if you have one)
- A printed or drawn **image of the goddess Isis** with wings outstretched
- A small **crystal or stone** that calls to you (clear quartz, moonstone, lapis, or selenite are ideal)
- A piece of **paper and pen**
- A sound source (a rattle, a singing bowl, or your own voice will do)

Optional: a little sand, rose oil, or pyramid figurine

Step 1: Creating Your Sacred Space

Stand or sit in silence. Breathe slowly. Imagine the Earth beneath you, ancient and pulsing.

Say aloud: *“I call upon the light of the stars, the stillness of the moon, and the memory of the pyramids. I invite the presence of the Goddess Isis, the comet Lemmon, and the solar codes of Atlas. I enter this space with reverence, to awaken what has long been sleeping.”*

Light your candle. Place your image of Isis before you. Let her witness you.

Step 2: Water Blessing & Soul Cleansing

Dip your fingers into the bowl of water. Gently anoint your forehead, heart, and belly.

As you do, speak: *“As the waters remember, so do I. I cleanse away the distortions of time, fear, and forgetting. I return to the purity of who I am.”*

Imagine this water is flowing from the Nile, from the womb of the Earth, from the tears of Isis herself. Let it wash you clean.

Step 3: Pyramid Alignment Activation

Now visualize yourself sitting at the base of the Great Pyramid of Giza. Above you, the **new moon** is dark and magnetic. The **comet Lemmon** glows green in the night sky. You see a **beam of light** begin to shoot from the apex of the pyramid... through the stars... into your crown.

Say aloud:

"I receive the activation of the ancient ones.

I align with the codes of truth, remembrance, and divine order.

I allow the convergence to awaken my soul."

Hold your crystal to your heart and let yourself receive. This may feel like warmth, tingling, emotion, or simply stillness. Stay here as long as you need.

Isis Disc – Portal of the Divine Mother

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not merely a disc—it is a resurrection. A sacred key long held in the higher realms, now brought forth by permission of the Divine Mother Isis herself. Formed through light, gemstone, gold, and ancient intention, the Isis Disc opens a living portal to the realms of healing, protection, and magic. **It is for the priestess reawakening, the healer remembering, the seeker ready to reclaim her divine inheritance. This tool does not offer power—it restores the power that was always yours.**

Infused with the essence of the all-encompassing feminine, this disc is a vessel of protection from curses, black magic, and distortion. **But more than that, it is a gateway: to cellular remembrance, to past-life healing, to the voice of Isis whispering behind the veil.**

Whether placed on your solar plexus, your third eye, or the heart of a client—this tool invites transformation. Expect the rising of old truths, the dissolving of forgotten pain, and the return of sacred light into the body. **You are not just using the Isis Disc—you are walking into the temple you once belonged to.**

Step 4: Invocation of the Isis Flame

Place your hands on your womb space (or sacral chakra, regardless of gender).

Speak with reverence:

*“Isis, Mother of Magic, Keeper of the Stars,
awaken the sacred flame within me.*

Let the wings of my soul rise.

Let the mysteries I carry be remembered.

Let the feminine codes of healing, sovereignty, and power be restored in me.”

Pause.

Imagine wings unfurling behind you, made of light...They are yours.

Step 5: Message from the Stars

Pick up your pen and paper. Ask:

- *“What message is this moon bringing me?”*
- *“What truth am I ready to remember?”*
- *“Where am I being called next?”*

Write without censoring.

Let Isis, the stars, and your soul speak through your hand.

Step 6: Sound Seal & Closing

Use your voice or instrument to sound the closing tone.

Three chimes.

Three breaths.

Three bows.

Say: *"I seal this work in grace, in truth, in love.*

May the codes of light ripple through all I touch.

May the divine feminine rise in me, around me, and through all beings.

And so it is."

Blow out the candle. Pour the water into the Earth with gratitude.

Step 7: Optional Integration Practices:

- Wear white or gold for the next 3 days to anchor the Isis codes
- Sleep with your crystal under your pillow to receive dream guidance
- Journal daily until the Full Moon: “What am I remembering?”
- Share your experience with a soul sister or circle to activate collective convergence
