# The Pyramids of Giza & Your Role

The pyramids of Giza are not just monuments — they are **living storage structures**. Beneath them is a **non-dwelling city** built to preserve energy, memory, and cosmic data.

The civilizations who built them came from **Orion, Big Bear, and Cassiopeia**.

These vaults contain DNA codes, star records, timelines, spiritual knowledge, and more.

And you **can access this information** — through your consciousness.

# Big Bear ➤ Orion ➤ Cassiopeia

You don't need physical technology to access the archives. The vaults are **connected to a living energetic grid**.

That grid aligns through the constellations:  
**Big Bear → Orion → Cassiopeia**

When you align with these energetics, you activate the internal gateway that lets you pull in data — like a spiritual download.

This is **real multidimensional technology**, and it lives in you.

## Isis Disc – Portal of the Divine Mother

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not merely a disc—it is a resurrection. **A sacred key long held in the higher realms, now brought forth by permission of the Divine Mother Isis herself.** Formed through light, gemstone, gold, and ancient intention, **the Isis Disc opens a living portal to the realms of healing, protection, and magic.** It is for the priestess reawakening, the healer remembering, the seeker ready to reclaim her divine inheritance. **This tool does not offer power—it *restores* the power that was always yours.**

Infused with the essence of the all-encompassing feminine, **this disc is a vessel of protection** from curses, black magic, and distortion. But more than that, **it is a gateway: to cellular remembrance, to past-life healing, to the voice of Isis whispering behind the veil.** Whether placed on your solar plexus, your third eye, or the heart of a client—this tool invites transformation. Expect the rising of old truths, the dissolving of forgotten pain, and the return of sacred light into the body. **You are not just using the Isis Disc—you are walking into the temple you once belonged to.**

# The Activation Pathway

To connect to the vaults, you'll be aligning with a **3-step energetic sequence**:

- **Big Bear (Ursa Major)** – Grounding & Stabilization
- **Orion** – Navigation & Memory Bridge
- **Cassiopeia** – Gateway to Data Retrieval

Each of these serves as a *frequency lock* — tuning your field into the library system stored beneath the pyramids and beyond

# Step 1 – Big Bear Alignment

Visualize the Big Bear constellation in your upper awareness (above your crown).

Ask for stabilization and coherence across all layers of your energy field.

Set the intention to **anchor your field** into the cosmic grid.

Affirm: *“I now align with the foundational codes of memory.”*

Feel yourself drop into a deeper stillness.

## Step 2 – Orion Bridge

Shift your focus to Orion's Belt — the 3-star sequence mirrored by the pyramids.

Ask for access to your **personal and collective memory bridge**.

This is the transit point where encoded knowledge from Earth and beyond flows.

Invite your mind and body to **soften and receive**.

Affirm: *"I open the corridor of remembrance."*

## Step 3 – Cassiopeia Gateway

Finally, move your attention to Cassiopeia — the W-shaped constellation.

This is the **gateway** to full multidimensional access.

Visualize stepping through a portal located at the 33rd-degree angle (symbolic frequency point).

State your clear intention to access the vaults beneath the pyramids, and any data aligned with your soul's highest path.

*Affirm: “I enter with integrity, clarity, and consent to receive what is mine to know.”*
