# Entering the Temple of Sekhmet

This is not imagination. It is memory.

You are being guided step by step  
to the temple where Sekhmet and the Lyran Guardians await.

This is a place of remembrance  
not to follow, but to return.

Come as you are.  
Nothing more is required.

# Prepare the Body and Soul

Find a quiet space.  
Sit or lie down.

Place one hand on your heart,  
one on your belly.

Say inwardly:  
“I come in truth.  
I come in love.  
I come only if I belong.”

Let your breath slow.  
Let your body soften.

Only proceed if your soul feels resonance.

This gate cannot be opened by force.

## Sekhmet Disc – Sovereignty Remembered, Power Awakened

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not merely a tool it is a royal artifact of remembrance, a living vessel carrying the fire of Sekhmet, the gaze of Wadjet, and the cosmic order of Ma'at.

It comes to those who are ready to reclaim the power they once held, the power of divine sovereignty, sacred alignment, and unshakable truth. To hold this Disc is to feel something stir in your cells, an ancient memory of walking as both fierce protector and graceful sovereign, fully aligned with divine order. It does not give you power , it reminds you that it has always been yours.

Every curve and geometric form etched into this Disc carries intentional codes that bypass the mind and speak directly to the soul. As you work with it, the Disc becomes a compass , guiding you back to your rightful path, awakening dormant courage, and realigning you with your soul's highest blueprint. It is a bridge between lifetimes, a transmitter of wisdom that dissolves illusions and ignites remembrance. When you hold it, a quiet knowing arises: *I remember. I am ready. I am free.*

# Root Down Before Rising

Imagine roots growing from your body into the Earth.

Feel your spine lengthen.

Feel your body claim its space.

You do not reach the temple by leaving your body.

You arrive by becoming fully present within it.

# Open the Frequency Door

In your heart, say:

“Temple of the Aecines.

Stargate of Sekhmet.

Field of the Lioness.”

You may feel warmth,  
pressure,  
tingling,  
or light.

Let the place come to you.  
Don’t visualize...receive.

# You Are at the Gate

You may now see the stargate  
before you or beneath you.

It may appear glowing,  
pulsing,  
or still.

Simply notice.

You are not here to perform.

You are here to be recognized.

Are you sensing an invisible weight—a quiet knowing that something within you longs to be freed?

A pull to heal what lies beneath the surface and return to the luminous essence of who you truly are?

This isn't wishful thinking.

—it's your soul whispering: *It's time.*

This **Multidimensional Healing Session** is not a surface tune-up. It's a sacred, deeply intuitive journey into the layers of your energy field to clear what has been holding you back—across lifetimes, timelines, and ancestral lines.

**What makes this session different?**

- Release hidden imprints, implants, and karmic entanglements that distort your flow.
- Recalibrate your aura, awaken dormant gifts, and realign you to your divine timeline.
- Anchor lasting shifts at the cellular, emotional, and spiritual levels.

Afterward, you'll receive a **beautifully detailed 20+ page report** revealing what was witnessed and healed, along with loving guidance for your next steps.

This is far more than a healing session.

—it's a soul restoration, a quiet homecoming to yourself.

If your heart stirs as you read this, trust that the moment has arrived...

to release.

to restore.

to return fully to your light.

# Enter the Seal

Step into the center of the Stargate symbol (the one shown).

Feel your feet in its light.

Say:

“I stand here as I am.  
Nothing hidden.  
Nothing added.”

If you are meant to be here,  
the gate will open.

# Meeting Sekhmet

If Sekhmet appears,  
do not bow.

Do not plead.

Stand in your sovereignty.

Say: "I have returned to remember."

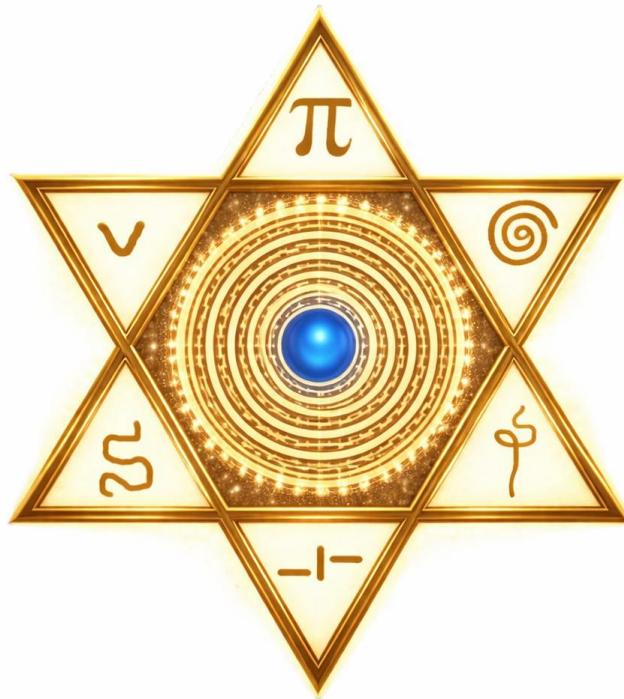

She may test,  
transmit,  
or simply observe.

Do not rush.  
Let the moment unfold.

## PART 2: WORKING WITH THE STARGATE SEAL

# What This Is

## The Seal Is Alive

This symbol is not art.

It is living soul-tech.

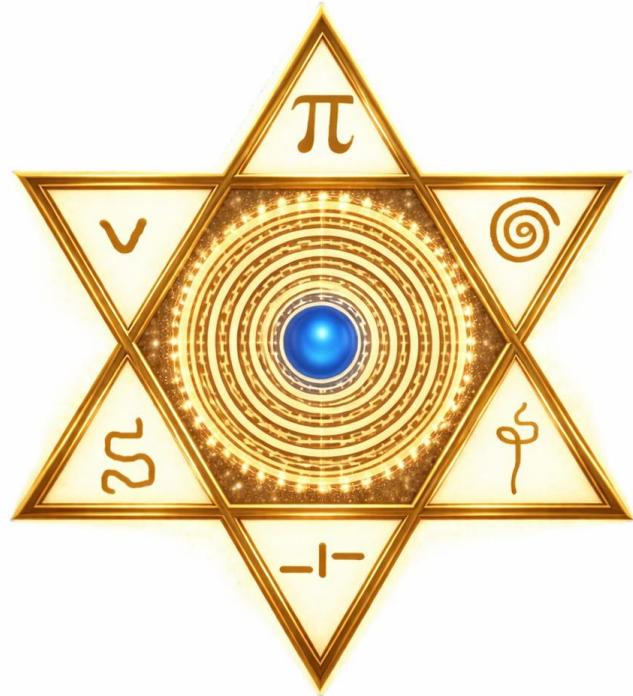

You are not meant to understand it all.

You are meant to **feel**.

Each point of the star contains a frequency lock.

The center is a receiving core.

Your role is to enter and listen.

# The Infinite Precision

This symbol carries the vibration of sacred proportion...  
the eternal spiral of knowing without end.

It speaks of divine architecture  
how all things, even chaos, are part of a larger order.

If you feel drawn here you may be a weaver of invisible  
systems, a memory keeper of sacred mathematics.

You don't seek to control the pattern  
you carry it within you.

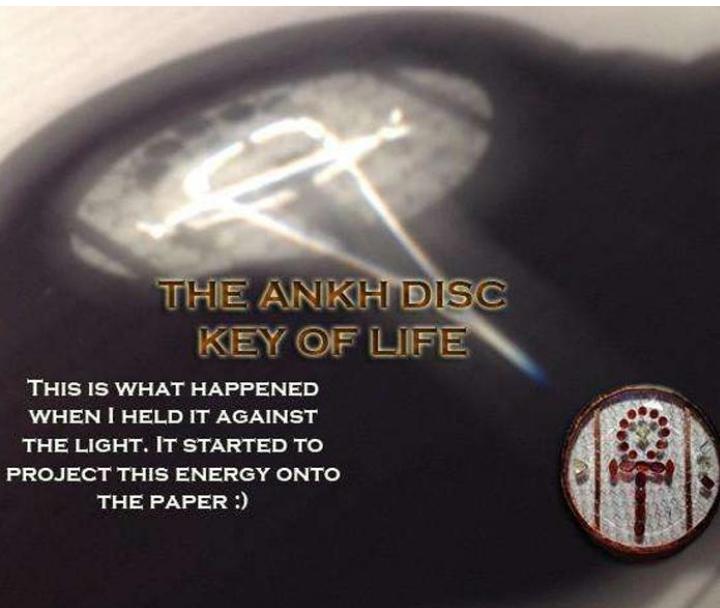

## Reflect:

- Do you feel most at peace when things make “deep sense” beneath the surface?
- Are you often the one holding unseen structure for others?

# Ankh Key Disc – Gateway of Embodiment and Sacred Sensuality

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not merely a disc, it is a key of remembrance, unlocking the sacred truth of what it means to be both spirit and flesh. **The Ankh Key Disc is a powerful sacral chakra activator, designed to restore balance to one of the most misunderstood and often suppressed energy centers.**

It bridges heaven and earth, reconnecting you to the raw, radiant aliveness of your body while harmonizing it with the wisdom of your etheric self. Infused with divine geometry and sensual intelligence, this tool helps transmute shame, release trauma, and reawaken the sacred pleasure of simply *being*, in body, in breath, in wholeness.

Through this disc, ancient distortions around intimacy, creativity, and self-worth begin to unravel. It grounds you in your own energy while gently reactivating your psychic sensitivity, emotional receptivity, and ability to connect deeply with others.

Whether you are healing ancestral imprints or navigating waves of ascension, ***the Ankh Key Disc offers a stabilizing embrace reminding you that the sensual and the spiritual were never meant to be separate. You are meant to feel. You are meant to love. You are meant to thrive in both your humanity and your divinity and this key helps you reclaim that sacred truth.***

# The Path That Knows Its Way

The spiral is the breath of the universe...  
always expanding,  
always returning.

This is the symbol of the soul's journey  
not linear, not predictable.

This symbol calls to the initiates of deep time  
those who walk in rhythm with the turning of ages.

If it calls to you then you are the one who understands that  
nothing is wasted... everything circles back in divine timing.

## Reflect:

Do you often feel like life takes you “back to the beginning” in  
new ways?

Do you sense that you hold wisdom that is not meant to be  
rushed?

# The Living Current

This flowing, root-like symbol is the signature of the **serpent path** a current of aliveness, rising and descending.

It is the code of those who carry **kundalini memory**, body wisdom, and medicine rooted in movement, sound, and touch.

If you resonate here, you may find truth through embodiment, through sensation rather than words.

You hold the sacred sensual fire that knows how to restore life through presence.

## Reflect:

Does your truth come through body, dance, or dream more than logic?

Have you felt called to heal others through energy or touch?

# The Gate of Separation

This is the symbol of choice.  
Of separation. Of discernment.

It marks the line between the worlds  
the moment when you must **decide who you are.**

If you hold this code, you are a protector of threshold spaces. You  
decide what enters and what does not.

You may find yourself tested often  
not to break you, but to refine your alignment.

## Reflect:

Do you hold powerful boundaries that others don't always  
understand?

Do you feel most activated when you are guarding or protecting  
truth?

# The Serpent Rivers

This twin current flows like ancient rivers  
Lunar and Solar,  
Feminine and Masculine, weaving as one.

If you feel this symbol stir something within you, then you may be a **bridge between worlds**: light and shadow, silence and speech, form and formless.

This is not a simple path.  
You hold paradox.  
You carry the power of union.

## Reflect:

Have you always felt like two beings in one... soft and fierce, grounded and cosmic?

Are you here to reconcile what others fear to face?

## Isis Disc – Portal of the Divine Mother

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not merely a disc—it is a resurrection. **A sacred key long held in the higher realms, now brought forth by permission of the Divine Mother Isis herself.** Formed through light, gemstone, gold, and ancient intention, **the Isis Disc opens a living portal to the realms of healing, protection, and magic.** It is for the priestess reawakening, the healer remembering, the seeker ready to reclaim her divine inheritance. **This tool does not offer power—it restores the power that was always yours.**

Infused with the essence of the all-encompassing feminine, **this disc is a vessel of protection** from curses, black magic, and distortion. But more than that, **it is a gateway: to cellular remembrance, to past-life healing, to the voice of Isis whispering behind the veil.** Whether placed on your solar plexus, your third eye, or the heart of a client—this tool invites transformation. Expect the rising of old truths, the dissolving of forgotten pain, and the return of sacred light into the body. **You are not just using the Isis Disc—you are walking into the temple you once belonged to.**

# The Holy Receiver

This curved glyph is the vessel,  
the womb,  
the chalice.

If this symbol stirs something ancient within you then you are the holder of what others discard.

This is the code of **deep feminine intelligence**  
to gestate,  
to contain,  
to birth at the right time.

You hold space not with noise, but with presence.

## Reflect:

Do you often feel like others pour their truth into you?

Are you called to midwife the unseen into form?

# The Pulse of Return

This is not a symbol.

This is a **living frequency field**.

The blue orb is not to be entered  
it is to be **stood with**.

I  
t pulses with soul memory.  
It is where you listen for your next knowing.

It may speak through light, sound, dream, stillness.  
It may say nothing... and still awaken everything.

## Reflect:

What happens in your body as you gaze at this center?

Can you allow yourself to receive without needing a reason?

# Thank You for Walking This Path

I hope this journey helped you reconnect with a deeper part of yourself...  
the part that remembers...  
the part that responds not to stories, but to frequencies.

May it have brought you into closer resonance with Sekhmet,  
with the ancient codes you carry,  
and with the Stargate that is not outside you  
but within your etheric memory.

Thank you for being here.  
Thank you for listening.  
Thank you for remembering.

Your presence matters.  
Your codes matter.  
And the Gate remembers you.

With love,  
~Anna Merkaba
