Entering the Dzungarian Gate

This is not imagination.
It is memory.

You are being guided step by step
to the portal where Olzhas and the blue beings
await.

This is a place of remembrance not to follow, but
to return.

Come as you are.
Nothing more is required.

The Call

Why You Are Here

If you've been dreaming of mountains in Central Asia...

If the word "Dzungarian" sends a shiver through you...

If you've felt a pull toward portals, gateways, and hidden ships beneath stone...

You are not imagining it.
Your soul remembers this place.
This work.
This threshold.

The 3I/Atlas field is reaching Jupiter in March.

And when it does, the ancient lifeline will activate.

St. Germain Violet Flame Disc – Crown of Transmutation

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not just a disc—it is a sacred emissary of light, forged in alliance with the Violet Flame and the guiding presence of Saint Germain himself. Encoded with amethyst, copper, and quartz cut into the Flower of Life, this tool was created to awaken your crown chakra, not as a concept, but as an experience—a portal to divine clarity, spiritual sovereignty, and vibrational freedom. **It carries the frequency of remembrance, for the one who is ready to shed the remnants of karmic density and rise into communion with the infinite.**

Hold it during meditation, place it near your bed, or rest it upon your altar—it will do what it came here to do: open you. Through it, the Violet Flame does more than cleanse—it transmutes. It raises the vibration of your very atoms, realigns your connection to Source, and reignites the divine compass within. **For those who are ready to reclaim their multidimensional sight, release the past, and walk as their divine self, this tool is not just helpful—it is *home*.**

Prepare the Body and Soul

Find a quiet space.
Sit or lie down.

Place one hand on your heart, one on your belly.

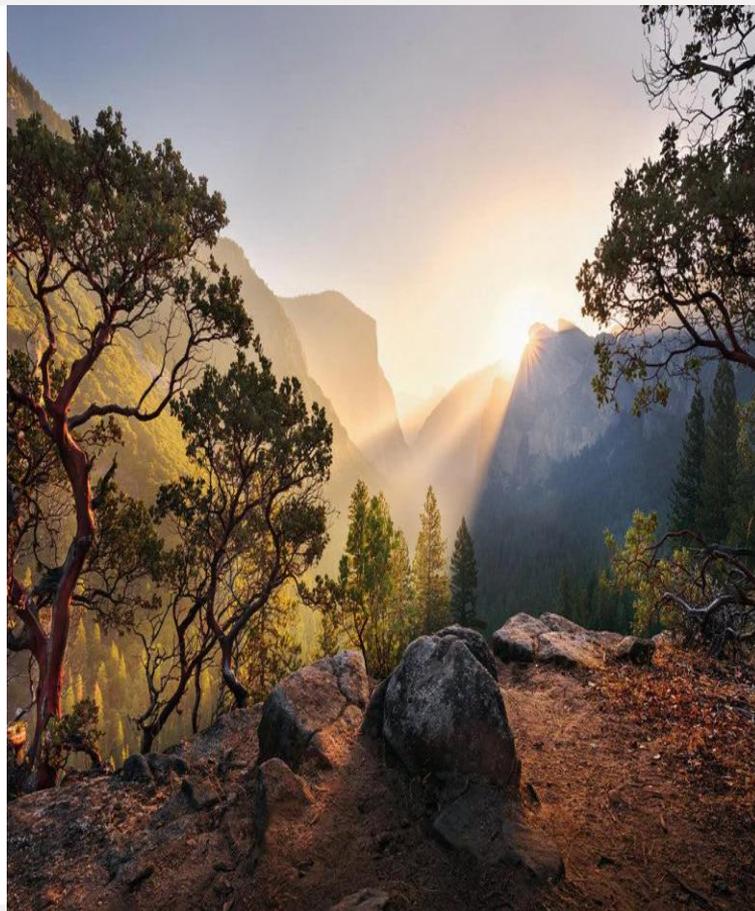

Say inwardly: *"I come in truth. I come in love. I come only if I belong."*

Let your breath slow.

Let your body soften.

Only proceed if your soul feels resonance.

This gate cannot be opened by force.

Root Down Before Rising

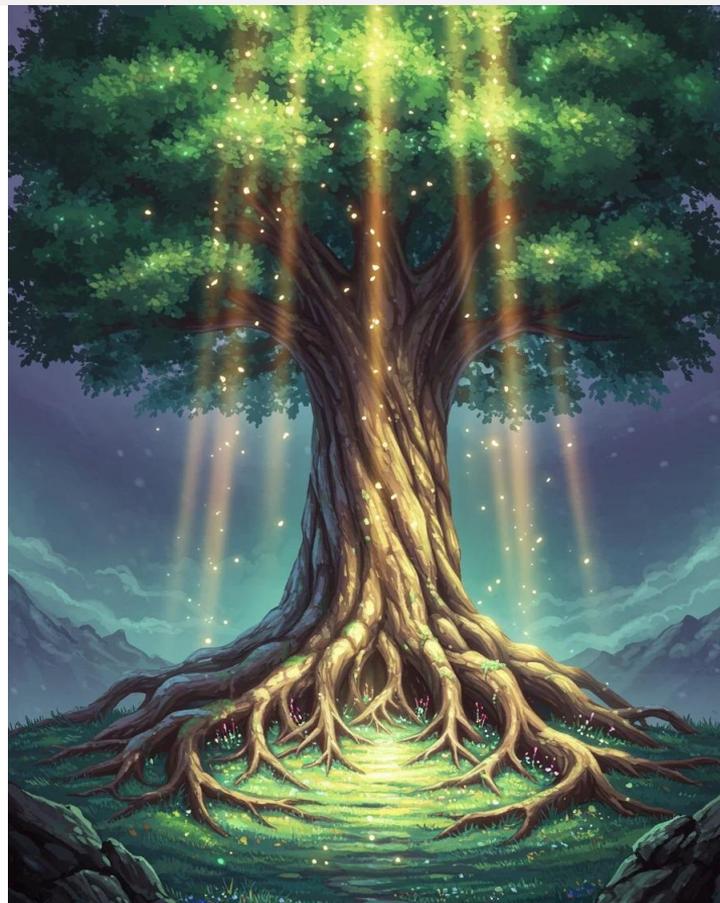

Imagine roots growing from your body into the Earth.

Feel your spine lengthen.

Feel your body claim its space.

You do not reach the portal by leaving your body.

You arrive by becoming fully present within it.

PART 2: WORKING WITH THE KEYS

The Five Keys - Introduction

Before you lies the sacred code given by the blue beings of the Dzungarian ship.

These are not mere symbols. They are living soul-technology.

Each symbol is a key. Each key unlocks a layer of the portal.

You are not meant to understand them all with your mind. You are meant to **feel** them.

Let us walk through each key, one by one.

The Vessel of Potential

This is the open diamond with dots at each corner, but the lines do not connect.

It is **incomplete by design**.

This symbol represents the sacred container waiting to be activated.

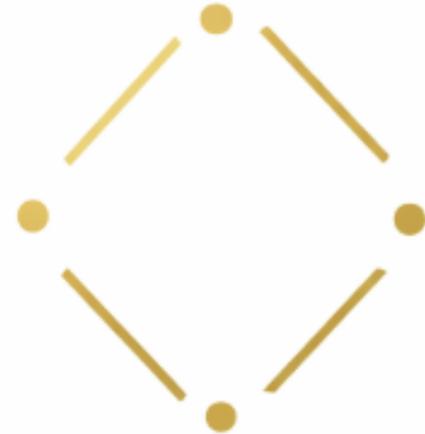

If you feel drawn here, you are being asked to become **receptive**.

You are the one who will **complete** what has been waiting.

This is not about force. This is about **allowing**.

Reflect: Can you hold space without needing to control it?

Are you willing to be the missing piece?

Starseeds Home Portal Activator – Intergalactic Space Key

Starseeds Home Portal Activator – Intergalactic Space Key

This is not merely a key—it is a soul contract fulfilled. A living relic seeded from the stars into this dimension for the precise moment your spirit was ready to remember its truth.

The Starseeds Home Portal Activator is a multidimensional beacon forged from cosmic light, crystalline memory, and divine instruction. It calls to the Starborn—the wanderers, the galactic empaths, the ones who never fully belonged—because it was made *for* you. This disc is not an object. It is a tuning fork for your soul's original resonance—a bridge between who you've been, who you are, and who you came here to become.

When held with intention, it activates the deepest vaults of your energetic anatomy—awakening the 10th, 11th, and 18th chakras, realigning your lower centers, and superimposing your divine blueprint back into your field. In time, the etheric gates swing open. Dreams shift. Visions arrive. Symbols find you. And communication with your Galactic Family resumes, flowing through your thoughts, your body, your sleep.

You are no longer searching. You are receiving. This disc is for the ones ready to reclaim their cosmic lineage, to walk as emissaries of Earth, and to live by the original instructions carried in their bones. You were never lost—you were simply waiting for this key to unlock the memory.

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

The Infinite Spiral

This symbol carries the vibration of sacred proportions, the eternal spiral of knowing without end.

It speaks of divine architecture: how all things, even chaos, are part of a larger order.

If you feel drawn here, you may be a weaver of invisible systems, a memory keeper of sacred mathematics.

You don't seek to control the pattern... you **carry** it within you.

Reflect:

Do you feel most at peace when things make "deep sense" beneath the surface?

Are you often the one holding unseen structure for others?

The Quintessence... The Fifth Element

This is the sacred quincunx... the pattern of five.

Four directions anchored. And **you** at the center.

This symbol calls to those who are the **convergence point**... the ones who hold all elements in balance.

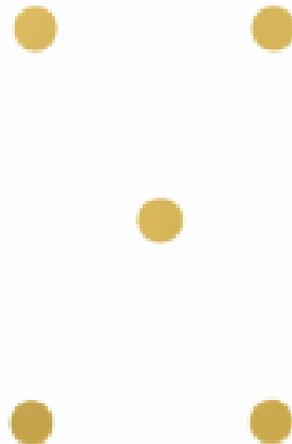

Earth. Air. Fire. Water. And Spirit.

If this key resonates, then you are being asked to **stand at the center**.

You are not here to choose a side. You are here to **become the axis**.

Reflect: Do you often find yourself at the center of conflicts, holding balance?

Have you always felt like the bridge between worlds?

The Radiant Star: Transmission from Center

This is the symbol of **emanation**.

Energy does not come **to** you, it moves **through** you.

From the center point, four lines radiate outward.

If you hold this code, you are a **broadcaster**.

A transmitter. A living antenna.

You do not receive and hold. You receive and **send**.

Reflect: Do people often feel energized, shifted, or changed after being near you?

Do you feel like a channel more than a container?

The Portal Lens

This is the sacred geometry of **creation through union**.

Two opposing forces: Masculine and Feminine. Light and Shadow.
Earth and Sky.

They do not merge. They **meet**.

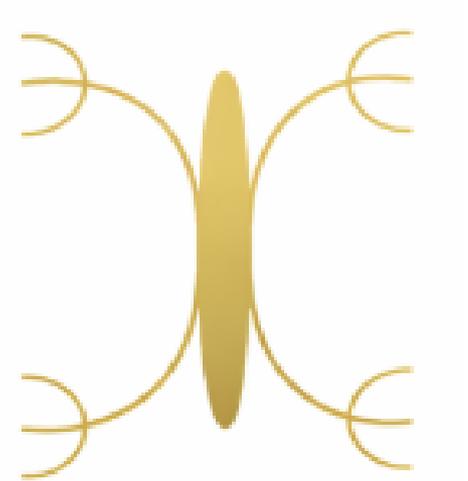

And in the space between them... the portal opens.

If you feel this symbol stir something deep, then you are the one who **holds paradox**.

You are here to reconcile what others fear to face.

Reflect: Have you always felt like two beings in one... soft and fierce,
grounded and cosmic?

Are you here to unite what has been divided?

Isis Disc – Portal of the Divine Mother

[CLICK HERE TO LEARN MORE ABOUT THIS DISC](#)

This is not merely a disc—it is a resurrection. **A sacred key long held in the higher realms, now brought forth by permission of the Divine Mother Isis herself.** Formed through light, gemstone, gold, and ancient intention, **the Isis Disc opens a living portal to the realms of healing, protection, and magic.** It is for the priestess reawakening, the healer remembering, the seeker ready to reclaim her divine inheritance. **This tool does not offer power—it restores the power that was always yours.**

Infused with the essence of the all-encompassing feminine, **this disc is a vessel of protection** from curses, black magic, and distortion. But more than that, **it is a gateway: to cellular remembrance, to past-life healing, to the voice of Isis whispering behind the veil.** Whether placed on your solar plexus, your third eye, or the heart of a client—this tool invites transformation. Expect the rising of old truths, the dissolving of forgotten pain, and the return of sacred light into the body. **You are not just using the Isis Disc—you are walking into the temple you once belonged to.**

PART 3: Activating The Portal

Now that you understand the keys, it is time to **use** them.

What follows is a step-by-step activation to open the Dzungarian Portal etherically.

You do not need to travel to Kazakhstan physically. Though you may, if called.

The work can be done through **focused intention** and **soul-level alignment**.

Are you ready?

Create the Sacred Container

Begin by sitting in a quiet space.

Place your hands in front of your heart, forming a **diamond shape** with your fingers touching, creating the framework.

Say aloud or inwardly:

"I create sacred space. I open the vessel. I am ready to receive."

Visualize the diamond expanding around your entire body.

You are **not sealed in**. You are **held within potential**.

Breathe here for 3-5 cycles.

Align with Cosmic Order

Now bring your awareness to your third eye.

Visualize the **spiral** appearing before you, golden, rotating gently, infinite.

This is the divine pattern. The mathematics of creation.

Allow your breath to follow the spiral: **Inhale** as it expands outward.
Exhale as it spirals inward.

Say inwardly:

"I align with divine order. I trust the pattern I cannot see. I am part of the infinite design."

Stay here until you feel a subtle **click**, a sense of lock-in, of rightness.

Anchor as the Fifth Element

Bring your awareness down into your body.

Feel your **four limbs**... arms and legs, as the four directions.

And feel your **center**... your solar plexus, your core, as the fifth point.

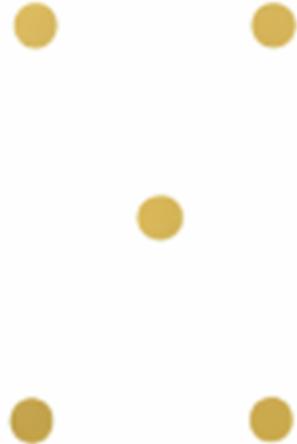

Visualize five points of light: One at each hand. One at each foot.
One at your core.

Say inwardly:

"I am the center. I hold all directions in balance. I am the anchor point."

Feel yourself become **unmovable**.

Rooted. Stable. Present.

Radiate the Activation

From your center, your solar plexus, visualize a point of **brilliant light** forming.

This light begins to **pulse**.

With each pulse, four beams of light shoot outward: North. South. East. West.

You are not pulling energy in. You are **broadcasting** it outward.

Say inwardly:

"I activate the field. I send the signal. I call the portal to open."

Feel the energy moving **through** you, not from you.

You are the conduit.

Open the Portal Lens

Now bring your awareness to the space **in front of you**... about an arm's length away.

Visualize two crescents forming: One curving from the left. One curving from the right.

Between them, an **oval of light** appears.

This is the portal lens. The **opening**.

Say aloud or inwardly:

"I call upon Olzhas, guardian of the Dzungarian Gate. I call upon the blue beings of the ship within the mountain. I am ready to step through."

The portal **opens**.

to return fully to your light.

Meeting Olzhas

When Olzhas appears, greet him as you would an old friend.

He is warm. Kind. Welcoming. Stand in your sovereignty, but know you are **safe** here.

Smile if you wish. Speak from your heart.

Say: *"I have returned to activate the lifeline."*

He may guide you deeper into the ship with gentle gestures. He may show you the platform of three metals, inviting you to place your hand upon it. He may offer you the cone-shaped crystal with a knowing smile.

Let him lead. Do not rush. Allow the moment to unfold naturally. You may see the blue beings on the screens, their presence calm and loving. You may hear transmissions that feel like ancient songs. You may simply feel a profound shift, like coming home. All of this is valid. All of this is real.

Trust the warmth you feel. You are among friends.

Receiving the Codes

The blue beings may transmit codes directly into your field.

You may see:

Geometric patterns

Light language

Symbols you don't recognize

You may feel:

Warmth in your chest

Tingling in your third eye

A deep sense of **remembering**

You do not need to understand the codes intellectually.

Your soul **already knows**.

Simply receive. Simply allow.

When the transmission is complete, you will feel a sense of **completion**, a gentle release.

Closing the Activation

When you are ready to return, place your hands on your heart.

Bow your head slightly in gratitude.

Say inwardly:

"Thank you, Olzhas. Thank you, blue beings of the Dzungarian Gate. Thank you, 3I/Atlas field. The lifeline is restoring. And I am part of the reconnection."

Take three deep breaths.

Feel your body. Wiggle your fingers and toes.

The portal will remain **open** for you, you can return anytime.

But for now, you have done the work.

Integration

In the hours and days following this activation, you may notice:

- Vivid dreams of mountains, ships, or blue beings
- A sense of **lightness** or relief in your chest
- Synchronicities related to Kazakhstan, Central Asia, or portals
- A quiet knowing that something has **shifted**

This is normal. This is the integration process.

Drink plenty of water.

Spend time in nature.

Journal any insights that come through.

The lifeline is **restoring**.

And you are part of the reconnection.

Thank You for Walking This Path

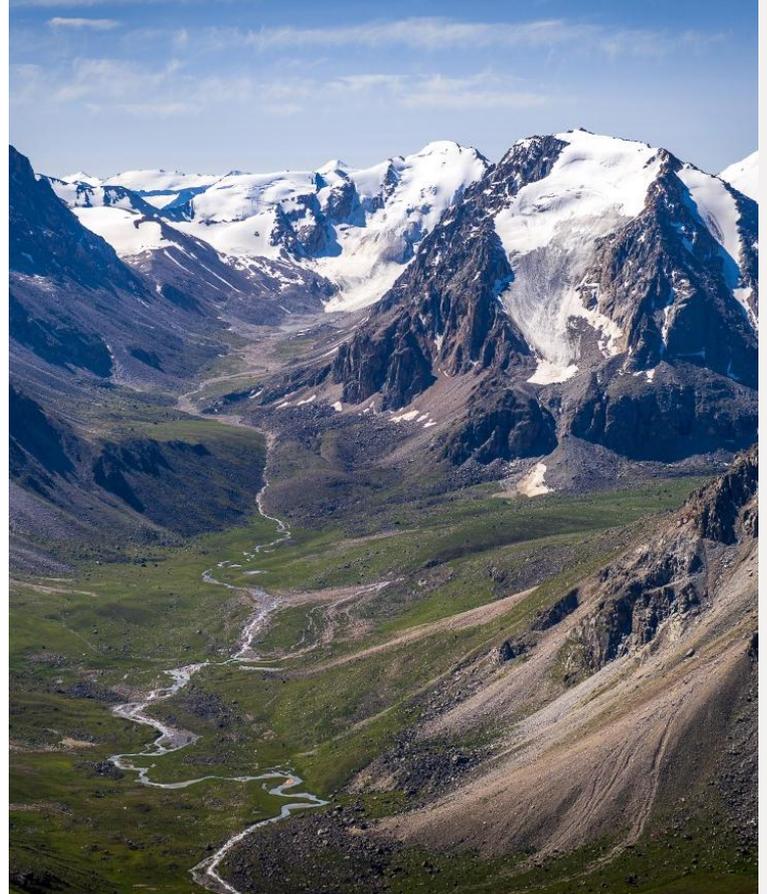

I hope this journey helped you reconnect with a deeper part of yourself... the part that remembers... the part that responds not to stories, but to frequencies.

May it have brought you into closer resonance with the Dzungarian Portal, with the ancient codes you carry, and with the lifeline that is not outside you but within your etheric memory.

Thank you for being here. Thank you for activating. Thank you for remembering.

Your presence matters. Your codes matter. And the Gate remembers **you**.

With love, ~Anna Merkaba
